

Notification about the suspense of non-counter service for individual account that has no transaction for 6 months since the next day of account opening date

Dear Customers,

According to <Notice of the People's Bank of China concerning Relevant Matters on Strengthening Payment & Settlement Management and Preventing New Types of Illegal or Criminal Telecommunication Network Activities> (PBOC 2016 No.261), to prevent new types of illegal or criminal telecommunication network activities and protect customer property safety and rights, for individual account opened on or after 31 July 2017, if it has no transaction for 6 months since the next day of account opening date, its non-counter service would be suspended. You should visit HBCN branch in person with your latest valid ID for KYC and activation.
